The Time Has Come For Renewable Energy!!

WHY NOW?

- The Government will pay you to do this with 50% Tax Credits and Rebates
- Energy rates set to soar up to 40% after deregulation in 2010
- You can now sell your alternative energy credits (AEC's) for twice the cost of your power bill

- Solar Electric
- Solar Hot Water and Air
- Wind Turbines
- Instant Back-up Power
- Energy Audits
- Geothermal Heat and Air Conditioning

WHY NOT?

- REDUCES OR ELIMINATES UTILITY BILLS.
- ENHANCES THE VALUE OF YOUR HOME.
- NO MORE POWER OUTAGES.
- PROTECTS YOUR FAMILY AND THE ENVIRONMENT.

- 20 Year Warranty
- Financing Available
- Locally Owned and Operated
- Fully Insured
- Licensed Engineer
